

Russell,

My words of gratitude will never be enough to express what you did for us in 2010. The support you gave Joshua and his dilemmas and then Kari hitting us with this one. Her case has been dismissed. I am sure Larry King is one the top Attorneys, if not the best, in Clayton County. But without you and your support this would had never happened. I will write you a letter of details in a few days..

I just wanted to thank you today.

Lisa
